

PUBLIC MEETING ANNOUNCEMENT FOR

Jal Relief Route— Public Meeting Tuesday, July 14, 2020 from 5:30 PM to 7:00 PM

Presentation of the project design alternatives

The City of Jal, in cooperation with the New Mexico Department of Transportation, is holding a public meeting to present project design alternatives and receive input from the public. Proposed alternatives have been designed to address safety, traffic operations, travel time, congestion, and vehicle-train conflicts.

Due to the COVID-19 pandemic, the meeting will be held in accordance with the New Mexico public health order. The meeting will be hosted on a virtual platform that can be accessed online or by phone. For those who cannot access the virtual meeting, an in-person meeting will also be held. Masks and social distancing will be required at this meeting. Masks and sanitizer will be provided.

The meeting will begin with a presentation of the project design alternatives by the Project Development Team, starting at 5:30 PM.

A Q&A session will take place after the presentation, which will be an opportunity for attendants to ask questions about the proposed routes or the NEPA process.

Any questions asked before or during the public meeting will not be entered in the project record as a formal comment. Written comments can be sent by August 11 to:

**SWCA Environmental Consultants
5647 Jefferson Street NE
Albuquerque, NM 87109**
