Jal Relief Route – Final Alignment

December 11, 2023 at 5:30 p.m.

Presentation of the project design alternatives

The City of Jal, in cooperation with the New Mexico Department of Transportation, is presenting the final Jal Relief Route Alignment. The Final Alignment addresses safety, traffic operations, travel time, congestion, vehicle-train conflicts, and avoids sensitive areas through the Bureau of Land Management.

The Final Alignment will be presented at the December 11, 2023 City Council Meeting.

In-Person Attendance:

City Hall Council Chambers
710 W. Wyoming Avenue
Jal, NM 88252

To request Americans with Disabilities Act (ADA) accommodations for this meeting, please contact Lisa Campbell, Stantec, at least two days before the meeting: (575) 323-4203.

A Q&A session will take place after the presentation, which will be an opportunity for attendants to ask questions about the route or the NEPA process.

Any questions asked before or during the public meeting will be entered in the project record as a formal comment. Written comments can be sent by January 11, 2023 to:
